Dear Ms. Ziegler:

On August 13, 2012, the Division of Oil, Gas and Mining received your request for a partial release of acreage that has been reclaimed at the Cowboy/Bandana Mine. Inspection of the reclaimed areas found that the reclamation standards have been achieved. Therefore, the Division hereby releases you from further reclamation responsibility for these reclaimed areas. The current amount released for the areas is as follows:

Cottonwood 1&2	\$426
Cottonwood 3	\$515
Little Emma 7	\$378
Cowboy1-Federal	\$13,276
TOTAL	\$14,595

Your current total surety amount is \$450,200. You can apply the \$14,595 elsewhere on your permit.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions or concerns about this letter. Thank you for your cooperation.

Sincerely,
